TDK Life on Record

Belt Drive Turntable

A music experience that's true to life

Enjoy the timeless feel and analog warmth of vinyl. The TDK Life on Record Belt Drive Turntable delivers quality construction and precision performance for a music experience the way it should be.

This advanced belt-driven turntable supports both 33 1/3 and 45 RPM playback speeds, while the "floating" design isolates the platter and needle from external vibration. An innovative equalizer gives your music a visual heartbeat for all to see.

A unique tone arm design with integrated needle light and universal connection give you even more control; use almost any needle from standard to truly premium.
